

HVAC Technician

STUART
MECHANICAL

Job Description:

The primary function of the HVAC Technician is to install, maintain, repair, and troubleshoot HVAC equipment including but not limited to rooftop units, split systems, air handlers, condensers, pumps, boilers, fans, cooling towers, VFD's, etc.

Responsibilities:

- Work independently, proficiently installing, maintaining, and repairing HVAC, plumbing and electrical equipment.
- Identify technical issues and provide solutions on projects, include costs associated, detail estimates of labor and materials, and procure materials required for projects.
- Coordinate and follow-up with customers regarding any maintenance issues, work orders, or scheduled shut down of equipment for repairs or replacement.
- Establish & maintain effective working relationships with customers, co-workers, and suppliers.
- Available for after-hours scheduled and/or emergency maintenance/repair functions.
- Ensure installations & repairs are in compliance w/all applicable local, state & federal codes, regulations, and company directives.
- Identify/make recommendations for building improvements to increase energy efficiency, dependability and performance.
- Maintain, operate, and secure a company issued vehicle in accordance w/company rules.

Requirements:

- 3-5 years experience in the service, repair, and installation of commercial HVAC equipment.
- Ability to solve a variety of technical issues, including complex "high level" including but not limited to larger tonnage & capacity HVAC equipment (chilled water, DX, hot water, steam), complex systems, automated controls, etc.
- Be able to read blueprints and schematics to aid in troubleshooting analysis
- Experience w/pneumatic & DDC controls, and computerized building automation system controls.
- Mechanical contractor's and/or boiler and refrigeration license is desired.
- Must be professional with strong organizational, communication, planning and interpersonal skills.

Other Benefits:

- Medical, Dental and Vision
- 401K Retirement Savings Plan w/Company Match Contributions
- Short and Long Term Disability Insurance
- Life and Accidental Death Insurance
- Supplemental Voluntary Life Insurance
